Are you eligible for the 24-Month OPT STEM Extension?

REQUIREMENTS:

1. You must be a recipient of a U.S. Bachelor’s, Master’s or Doctoral degree in a STEM (science, technology, engineering, or math) designated degree program. See this list of STEM Majors. (You can check the CIP code listed on your I-20).

2. You are currently authorized for 12-month OPT and have not exceeded 90 days of unemployment.

3. You can apply based on any previous STEM degree from an SEVP accredited U.S. institution within the last 10 years.

4. You must be employed or have a job offer related to your field of study from an employer who is registered in the USCIS E-Verify Program. Must complete Form I-983 with employer and all employers must have an EIN number.

5. Your employer can work with you to fully complete the Form I-983 and abide by all employer obligations, including Department of Homeland Security site visits.

6. You are applying no more than 3 months before your 12-Month OPT expires and no later than the expiration of your 12-Month OPT.

Types of Allowable Employment

1. Must be a *bona fide* employee of the employer completing the Form I-983. The employer signing the I-983 must be the same entity to employ you and provide the practical training experience required by the I-983.

2. Multiple employer arrangements, sole proprietorships, employment through "temp" agencies, employment through consulting firm arrangements that provide labor for hire, and other relationships that do not constitute a *bona fide* employer-employee relationship are *generally not supported*.

3. Volunteer/unpaid positions and self employment are **NOT** supported by the 24-Month OPT STEM Extension.
Application Process Overview

1. **Request OPT STEM I-20 from OISS.**
   The I-20 will be ready for pick up 10 business days after submitting the OPT 24 Month STEM application and all supporting documents to OISS. Arrangements can be made to send you the new I-20 by mail.

2. **Prepare, collect & mail your application materials to USCIS.**
   Allow approximately 1 week to gather and organize your materials for mailing. A complete application must be received by USCIS before the end date of your current OPT as noted on the EAD card. You must be in the U.S to file the OPT STEM application with USCIS.

   Average processing time at the USCIS is 90-120 days. However, you may continue to work on OPT for up to 180 days while the STEM application is pending.

4. **Maintain your F-1 status while on OPT STEM Extension.**
   You must report general address to your SEVP Portal and employer updates to OISS within 5 days of any change. 24 Month STEM Extension students must also submit a validation report every six months and training evaluations every 12 months. Find information about STEM Reporting here. Your I-20 travel signature on page 2 is only valid for 6 months while on OPT STEM. Failure to provide timely updates may result in termination of the F-1 record.
Request OPT STEM I-20

Complete the form I-983 and submit with all the requested materials to OISS.

**Application Deadline**
- USCIS must receive your application before the end date of your OPT.
- OISS recommends that you submit your STEM I-20 request at least 2 months before your current OPT EAD expires.
- You may apply as early as 90 days before your OPT EAD end date.

Your authorization to work will be automatically extended for 180 days while your OPT STEM application is pending.
Complete Form I-983

The formal training plan must clearly articulate the OPT STEM Learning objectives and affirm the employer’s commitment to helping you achieve those objectives. To fulfill this requirement, you and your employer must complete and sign Form I-983 and then submit pages 1-5 to OISS.

Reporting Material Changes to Your Form I-983 Formal Training Plan

Material changes may include (but are not limited to):

- Any change of the employer’s **Employer Identification Number**, (also known as the company’s Federal Tax ID number). This could result from a change in the employer’s ownership or structure.

- Any **reduction in your compensation** that is not tied to a reduction in hours worked.

- Any significant **decrease in hours per week** that you engage in a STEM training opportunity.

- Changes to the **employer’s commitments** or your **learning** objectives as documented on the Form I-983.

If there are any of these Material Changes, a revised I-983 needs to be submitted to OISS within **10 business days**.
6 Month Validation

• STEM OPT students must submit a validation report to OISS every six months starting from the date the 24-month extension begins and ending when the student’s F-1 status ends. This means 4 validations in total over 24-month OPT STEM Extension. See Page 5 of the I-983.

• Your F-1 record may be terminated if you fail to report every 6 months.

You are responsible for meeting this requirement!

When you receive your STEM Extension, immediately mark your calendar to show 6 month deadlines.

Annual Evaluation of Student Progress

- STEM OPT students must submit an annual evaluation of Student Progress. **Your employer must review and sign the self evaluation.** See Page 5 of the I-983 Form.

- Your F-1 record may be terminated if you fail to report each 12 months.

---

**You are responsible for meeting this requirement!**

When you receive your STEM Extension, immediately mark your calendar to show 12 month deadlines.

**Example:** Your STEM Extension starts on January 10, 2017. Your annual January 10, 2018 and January 10, 2019. Mark these dates.

Frequently Asked Questions: Employment

What is considered full-time employment on the 24-month OPT STEM Extension? Students must work over 20 hours per week for an E-Verify employer in a position directly related to the STEM degree, following the goals and objectives stated in the I-983 training plan.

I have two part-time jobs. One of the employers is enrolled in E-Verify but the other is not. Is this allowed? No, only full time employment is allowed at your STEM-eligible E-Verify registered employer.

How many days of unemployment am I allowed while on the 24-month STEM Extension? Students who receive a 24-month OPT STEM extension are given an additional 60 days of unemployment for a total of 150 days over their entire post-completion OPT period.

What counts as unemployment? Each day during the period when OPT authorization begins and ends that the student does not have qualifying employment counts as a day of unemployment.

Can I continue to work while my 24-month STEM Extension OPT is pending? If a student’s EAD expires while the STEM Extension application is pending, the student is authorized to work until USCIS makes a decision about the application, but not more than 180 days from the date the student’s initial OPT EAD expires.

What documents should I present to my employer once my 12-month OPT expires and my OPT STEM is pending? You should present the employer with the expired EAD card, the form I-20 recommending the student for STEM Extension, and proof of the timely filing with USCIS.

Can I switch employers while my OPT STEM application is pending? Yes, but we do NOT recommend this. You must submit a new OPT 24-Month STEM Request and I-983 to OISS. An advisor will update your information you must submit an amended Form I-765 and I-20 copy to the appropriate USCIS Service Center, providing the new employer’s E-Verify number and a copy of the USCIS receipt notice for the first Form I-765. A brief letter explaining the submission should also be included. There is no fee associated with submitting the amended Form I-765.
Frequently Asked Questions: Travel & Re-entry

Can I travel outside the US during my approved OPT period? Yes. However, if the student whose approved period of OPT has started travels outside of the US while unemployed, the time spent outside the United States will count as unemployment against the 90/150-day limits.

*If a student travels while employed either during a period of leave authorized by an employer or as part of their employment, the time spent outside the US will not count as unemployment.

Can I travel outside the US while my 24-month STEM Extension OPT is pending? Yes, travel while your OPT STEM application is pending is allowed if you have a valid F-1 visa and I-20 signed within the past 6 months. You should travel with a copy of your I-797 receipt notice and proof of your STEM employment.

Can I renew my visa while on OPT STEM? Yes, you are eligible to renew your visa while on OPT STEM. Remember, that you are still applying for an F-1 non-immigrant visa which means you must demonstrate ties to your home country. Be advised that you MUST have an approved STEM EAD to apply for a new visa.

What documents do I need to re-enter the U.S? If you are eligible for travel, you will need:

- A valid passport with unexpired F-1 visa stamp (if applicable)
- Form I-20, signed on page 2 by OISS Advisor within the last 6 months
- Unexpired EAD Card.
- Proof of employment (or employment offer)
